Career Options with a Research Degree

Aspire to an academic career?

With advice and videos from Manchester academics, our award-winning website gives you a head start.

Looking for something different?

Read the doctoral profiles from our annual event Pathways: Careers for Doctoral Researchers

www.manchester.ac.uk/pathways

Or research postgraduate careers, online or in person, with our "How to ..." career guides.

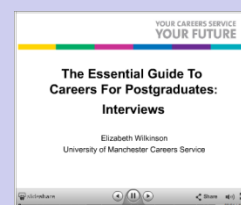

Careers for Doctoral Researchers

Plan your research or plan your career? You can do both, together. Our practical online guide shows how you can build the foundations for a successful career starting in your 1st year all the way through to graduation.

Careers Support for Doctoral Researchers In Person

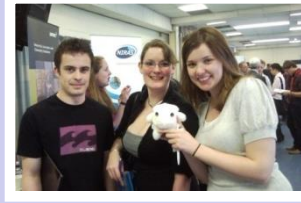

What do employers want?

Find out what academic and non-academic employers want from doctoral researchers at our annual Pathways event in June.

www.manchester.ac.uk/pathways

You can also access all our general employer events, talks and fairs – hundreds of employers visit Manchester each year.

www.manchester.ac.uk/careers/events

The Careers Service

Individual advice on CVs, applications, interviews, job search and career choices from careers specialists, all trained to support postgraduates

www.manchester.ac.uk/careers/services

Our award-winning mentoring scheme, Manchester Gold, includes mentors in academic and non-academic careers – apply in January.

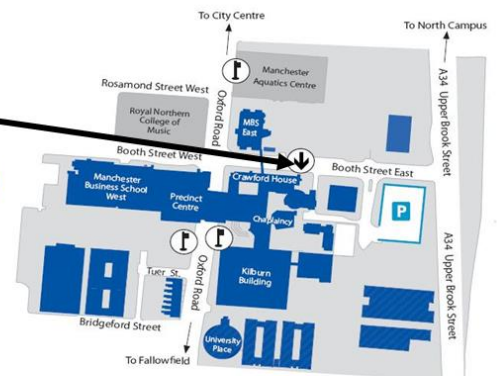

Ask questions all year round with Manchester Gold Online Q&A

www.manchester.ac.uk/careers/manchestergold

A quarter of our appointments are with postgraduates. We're here for you all year round, for 15 minute drop-in or longer, pre-booked, appointments

Crawford House –
Entrance ↓
on Booth Street East
(opposite the Aquatics Centre)
